**PROXY STATEMENT**

---

**INFORMATION ABOUT THE ANNUAL MEETING AND PROXY MATERIALS**

**General**

This proxy statement is furnished to stockholders of Applied Therapeutics, Inc., a Delaware corporation (the “Company”), in connection with the solicitation of proxies for use at the 2022 Annual Meeting of Stockholders of the Company (the “Annual Meeting”) to be held on Thursday, June 2, 2022, at 10:30 a.m., Eastern Time, online at <http://www.virtualshareholdermeeting.com/APLT2022>. The Annual Meeting of Stockholders will be held in a virtual-only meeting format. This solicitation of proxies is made on behalf of our board of directors. Capitalized terms used, but not defined, herein shall have the meanings ascribed to them in our Annual Report on Form 10-K for the fiscal year ended December 31, 2021 (the “Annual Report”).

**Important Notice Regarding the Availability of Proxy Materials for the Annual Meeting to be Held on Thursday, June 2, 2022**

Pursuant to the rules adopted by the Securities and Exchange Commission (“SEC”), we have elected to provide access to our proxy materials over the Internet. Accordingly, we are sending a Notice Regarding the Internet Availability of Proxy Materials (the “Internet Notice”) to certain of our stockholders of record. We are also sending a paper copy of the proxy materials and proxy card to other stockholders of record who have indicated they prefer receiving such materials in paper form. Brokers and other nominees who hold shares on behalf of beneficial owners will be sending their own similar Internet Notice. Such Internet Notice, or this proxy statement and proxy card or voting instruction form, as applicable, is being mailed to our stockholders on or about April 15, 2022.

Stockholders will have the ability to access the proxy materials on the website referred to in the Internet Notice or may request to receive a paper copy of the proxy materials by mail or electronic copy by electronic mail on a one-time or ongoing basis. Instructions on how to request a printed copy by mail or electronically may be found on the Internet Notice.

The Internet Notice will also identify the date, the time and location of the Annual Meeting; the matters to be acted upon at the meeting and the board of directors’ recommendation with regard to each matter; a toll-free telephone number, an email address, and a website where stockholders can request to receive, free of charge, a paper or email copy of this proxy statement, our Annual Report and a proxy card relating to the Annual Meeting; information on how to access and vote the proxy card; and information on how to obtain instructions to attend the virtual meeting and vote in person at the virtual meeting, should stockholders choose to do so.

### **What Are You Voting On?**

You will be asked to vote on the following proposals at the Annual Meeting:

1. Election of two Class III directors to serve for a three-year term of office expiring at the 2025 Annual Meeting of Stockholders;
2. Ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022; and
3. Any other matter that properly comes before the Annual Meeting.

### **Who Can Vote?**

Only holders of record of shares of our common stock as of the close of business on the record date, April 8, 2022 (the “Record Date”), are entitled to receive notice of, and to vote at, the Annual Meeting. Each share of common stock entitles the holder thereof to one vote. Your shares of common stock may be voted at the Annual Meeting, or any adjournment or postponement thereof, only if you are present in person at the virtual meeting or your shares are represented by a valid proxy.

### **Difference between a Stockholder of Record and a “Street Name” Holder**

If your shares are registered directly in your name, you are considered the stockholder of record with respect to those shares.

If your shares are held in a stock brokerage account or by a bank, trust or other nominee, then the broker, bank, trust or other nominee is considered to be the stockholder of record with respect to those shares. However, you are still considered to be the beneficial owner of those shares, and your shares are said to be held in “street name.” Street name holders generally cannot submit a proxy or vote their shares directly and must instead instruct the broker, bank, trust or other nominee how to vote their shares using the methods described below under the heading “Voting Your Shares.”

### **Quorum**

At the close of business on the Record Date, there were 26,236,931 shares of our common stock outstanding and entitled to vote at the Annual Meeting. The presence of a majority of the outstanding shares of our common stock entitled to vote constitutes a quorum, which is required in order to hold and conduct business at the Annual Meeting. Your shares are counted as present at the Annual Meeting if you:

- Are present in person at the virtual Annual Meeting; or
- Have properly submitted a proxy card by mail or submitted a proxy by telephone or over the Internet.

If you submit your proxy, regardless of whether you abstain from voting on one or more matters, your shares will be counted as present at the Annual Meeting for the purpose of determining a quorum. If your shares are held in “street name,” your shares are counted as present for purposes of determining a quorum if your broker, bank, trust or other nominee submits a proxy covering your shares. Your broker, bank, trust or other nominee is entitled to submit a proxy covering your shares as to certain “routine” matters, even if you have not instructed your broker, bank, trust or other nominee on how to vote on those matters. Please see below under “— Broker Non-Votes.”

### **Voting Your Shares**

The Annual Meeting will be held entirely online this year. You may vote in person by attending the virtual Annual Meeting or by submitting a proxy. The method of voting by proxy differs (1) depending on whether you are viewing this proxy statement on the Internet or receiving a paper copy and (2) for shares held as a record holder and shares held in “street name.”

If you are a record holder, you may vote by submitting a proxy over the Internet or by telephone by following the instructions on the website referred to in the proxy card or the Internet Notice mailed to you. Alternatively, if you received a paper copy of your proxy card, you may vote your shares by submitting a proxy over the Internet or by telephone by following the instructions on the proxy card, or by completing, dating and signing the proxy card that was included with this proxy statement and promptly returning it in the pre-addressed, postage-paid envelope provided to you.

## [TABLE OF CONTENTS](#)

If your shares are held in “street name,” your broker, bank or other street name holder will provide you with instructions that you must follow to have your shares voted.

### **Deadline for Submitting Your Proxy on the Internet or by Telephone**

Internet and telephone voting will close at 11:59 p.m., Eastern Time, on June 1, 2022. Stockholders who submit a proxy by Internet or telephone need not return a proxy card or the voting instruction form forwarded by your broker, bank, trust or other nominee by mail.

YOUR VOTE IS VERY IMPORTANT. Please submit your vote in advance even if you plan to attend the Annual Meeting.

### **Voting at the Annual Meeting**

If you plan to attend the Annual Meeting, you may vote during the virtual meeting. Please note that if your shares are held in “street name” and you wish to vote during the meeting, you must obtain a proxy issued in your name from your broker, bank or other street name holder. Even if you intend to attend the Annual Meeting, we encourage you to submit your proxy or voting instructions to vote your shares in advance of the Annual Meeting. Please see the important instructions and requirements below under “—Attendance at the Annual Meeting.”

### **Changing Your Vote**

As a stockholder of record, if you vote by proxy, you may revoke that proxy at any time before it is voted at the Annual Meeting. Stockholders of record may revoke a proxy prior to the Annual Meeting by (i) delivering a written notice of revocation to the attention of the Secretary of the Company at our principal executive office at 545 Fifth Avenue, Suite 1400, New York, NY 10017, (ii) duly submitting a later-dated proxy over the Internet, by mail, or if applicable, by telephone, or (iii) attending the virtual Annual Meeting and voting during the meeting. Attendance at the Annual Meeting will not, by itself, revoke a proxy.

If your shares are held in the name of a broker, bank, trust or other nominee, you may change your voting instructions by following the instructions of your broker, bank, trust or other nominee.

### **If You Receive More Than One Proxy Card or Internet Notice**

If you receive more than one proxy card or Internet Notice, it means you hold shares that are registered in more than one account. To ensure that all of your shares are voted, sign and return each proxy card or, if you submit a proxy by telephone or the Internet, submit one proxy for each proxy card or Internet Notice you receive.

### **How Your Shares Will Be Voted**

Shares represented by proxies that are properly executed and returned, and not revoked, will be voted as specified. YOUR VOTE IS VERY IMPORTANT.

### **If You Do Not Specify How You Want Your Shares Voted**

If you are the record holder of your shares and submit your proxy without specifying how your shares are to be voted, your shares will be voted as follows:

- FOR the election of the two nominees for Class III director; and
- FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022.

In addition, the proxy holders named in the proxy are authorized to vote in their discretion on any other matters that may properly come before the Annual Meeting and at any postponement or adjournment thereof. The board of directors knows of no other items of business that will be presented for consideration at the Annual Meeting other than those described in this proxy statement.

[TABLE OF CONTENTS](#)

**Broker Non Votes**

A “broker non-vote” occurs when a nominee holding shares for a beneficial owner has not received voting instructions from the beneficial owner and does not have discretionary authority to vote the shares. If you hold your shares in street name and do not provide voting instructions to your broker or other nominee, your shares will be considered to be broker non-votes and will not be voted on any proposal on which your broker or other nominee does not have discretionary authority to vote. Shares that constitute broker non-votes will be counted as present at the Annual Meeting for the purpose of determining a quorum, but will not be considered entitled to vote on the proposal in question. Brokers generally have discretionary authority to vote on the ratification of the selection of Ernst & Young LLP as our independent registered public accounting firm. Brokers do not have discretionary authority, however, to vote on the election of directors to serve on our board of directors.

**Votes Required**

The following table summarizes the voting requirements and the effects of broker non-votes and “withhold” votes or abstentions on each of the proposals to be voted on at the Annual Meeting:

	<u>Proposals</u>	<u>Required Vote</u>	<u>Effect of Broker Non-Votes</u>	<u>Effect of “Withhold” Votes or Abstentions</u>
1.	Election of Directors	Plurality of votes cast for each nominee	None	None
2.	Ratification of Independent Registered Public Accounting Firm	Majority of the shares present and entitled to vote	Not applicable	Against

**Inspector of Election**

All votes will be tabulated by the inspector of election appointed for the Annual Meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

**Solicitation of Proxies**

We will bear the cost of soliciting proxies. Copies of solicitation materials will be furnished to banks, brokerage houses, fiduciaries and custodians holding shares of our common stock in their names that are beneficially owned by others to forward to those beneficial owners. We may reimburse persons representing beneficial owners for their costs of forwarding the solicitation materials to the beneficial owners. Original solicitation of proxies may be supplemented by telephone, facsimile, electronic mail or personal solicitation by our directors, officers or other employees. No additional compensation will be paid to our directors, officers or other employees for such services.

**Attendance at the Annual Meeting**

You may attend the Annual Meeting, as well as vote and submit questions during the Annual Meeting, by visiting <http://www.virtualshareholdermeeting.com/APLT2022>. You will need your unique control number, which appears in the Internet Notice, the proxy card or voting instructions that accompanied the proxy materials. In the event that you do not have a control number, please contact your broker, bank or other nominee as soon as possible so that you can be provided with a control number and gain access to the meeting.

**PROPOSAL 1 — ELECTION OF DIRECTORS**

Our board of directors currently consists of six members. In accordance with our Amended and Restated Certificate of Incorporation (the “Certificate of Incorporation”) our board of directors is divided into three classes with staggered three-year terms. At each annual general meeting of stockholders, the successors to directors whose terms then expire will be elected to serve from the time of election and qualification until the third annual meeting following election. Our directors are divided among the three classes as follows:

<u>Class</u>	<u>Term Expiration</u>	<u>Director</u>	<u>Age</u>
Class I	2023	Les Funtleyder	52
		Stacy J. Kanter	63
Class II	2024	Joel S. Marcus	74
		Jay S. Skyler, M.D., MACP	75
Class III	2022	Teena Lerner, Ph.D.	64
		Shoshana Shendelman, Ph.D.	43

**Class III Director Nominees for Election — Term Expiring 2025**

The current term of the Class III directors will expire at the Annual Meeting. Our board of directors nominated each of Shoshana Shendelman and Teena Lerner for re-election at the Annual Meeting as a Class III director to hold office until the 2025 Annual Meeting of Stockholders and until her successor is duly elected and qualified or until her earlier death, resignation or removal. The nominees have consented to serve a term as Class III directors. Should any of the nominees become unable to serve for any reason prior to the Annual Meeting, the board of directors may designate a substitute nominee, in which event the persons named in the enclosed proxy will vote for the election of such substitute nominee, or may reduce the number of directors on the board of directors.

Below is a biography of each of the Class III directors standing for re-election at the Annual Meeting:

## **General Information About the Board of Directors**

### **Board and Committees**

Our board of directors held seven meetings during the fiscal year ended December 31, 2021. Each incumbent director serving during 2021 attended at least 75% of the aggregate of all meetings of the board of directors and all meetings of committees of which such director was a member. All directors are encouraged to attend our annual meeting of stockholders. All of our directors attended our 2021 annual meeting of stockholders.

### **Director Independence**

Under the listing standards of The Nasdaq Stock Market LLC (the "Nasdaq Listing Rules"), at least a majority of our board of directors must be independent directors. Our board of directors has undertaken a review of its composition, the composition of its committees and the independence of each director. Based upon information requested from and provided by each director concerning his or her background, employment and affiliations, including family relationships, our board of directors has determined that all of our directors, except Dr. Shoshana Shendelman, our Chief Executive Officer, are "independent" as that term is defined under the applicable rules of the SEC and the Nasdaq Listing Rules. In making this determination, our board of directors considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director, and in the case of (i) Mr. Funtleyder, the fact that he was our former Interim Chief Financial Officer and (ii) Mr. Marcus, the lease agreement with ARE LaunchLabs NYC LLC, a subsidiary of Alexandria for the use of specified premises within the Alexandria LaunchLabs space, and the beneficial ownership interests of the Alexandria Entities (as defined below).

### **Board Leadership Structure**

Our Chief Executive Officer, Dr. Shoshana Shendelman, currently serves as the chair of our board. Our Corporate Governance Guidelines provide that the role of chair and Chief Executive Officer may be separate or, if the board of directors determines, combined. In the event that the chair is not an independent director, the

## TABLE OF CONTENTS

board of directors will select one of the independent directors to act as a lead director to coordinate the other independent directors and to chair the executive sessions of independent directors (the “Lead Independent Director”). Our current Lead Independent Director is Dr. Teena Lerner. As set forth in our Corporate Governance Guidelines, the Lead Independent Director’s duties include: (i) presiding at all board meetings at which the chair is not present, including executive sessions of the independent directors; (ii) acting as liaison between the independent directors and the Chief Executive Officer and chair; (iii) presiding over executive sessions of the independent directors; (iv) consulting with the chair in planning and setting schedules and agendas for board meetings; and (v) performing such other functions as the board of directors may delegate. We do not believe there should be a fixed rule regarding the positions of Chief Executive Officer and chair being held by different individuals, or whether the chair should be an employee of the Company or should be elected from among the non-employee directors. The needs of the Company and the individuals available to assume these roles may require different outcomes at different times, and the board of directors believes that retaining flexibility in these decisions is in the best interests of the Company. The nominating and corporate governance committee will periodically review our leadership structure and make any recommendations to the board of directors.

### **Board’s Role in Risk Oversight**

Our management is responsible for identifying risks facing our Company, including strategic, financial, operational and regulatory risks, implementing risk management policies and procedures and managing our day-to-day risk exposure.

The audit committee reviews and discusses with management and the Company’s auditors, as appropriate, (i) the Company’s guidelines and policies with respect to financial risk management and financial risk assessment, including the Company’s major financial risk exposures and the steps taken by management to monitor and control these exposures and (ii) management risks relating to data privacy, technology and information security, including cyber security and back-up of information systems, and the steps the Company has taken to monitor and control such exposures.

The compensation committee reviews the Company’s practices and policies of employee compensation as they relate to risk management and risk-taking incentives, to determine whether such compensation policies and practices are reasonably likely to have a material adverse effect on the Company.

**Audit Committee**

The audit committee is responsible for assisting our board of directors in its oversight of the integrity of our financial statements, the qualifications and independence of our independent auditors and our internal financial and accounting controls. The audit committee has direct responsibility for the appointment, compensation, retention (including termination) and oversight of our independent auditors, and our independent auditors report directly to the audit committee. The audit committee also prepares the audit committee report that the SEC requires to be included in our annual proxy statement. The audit committee held four meetings during 2021.

Our audit committee consists of Teena Lerner, Joel S. Marcus and Stacy J. Kanter. Our board of directors has determined that all three members are independent under the Nasdaq Listing Rules and Rule 10A-3(b)(1) under the Securities Exchange Act of 1934 (the “Exchange Act”). The chair of our audit committee is Ms. Kanter. Our board of directors has determined that each of Dr. Lerner and Mr. Marcus qualifies as an “audit committee financial expert” as such term is currently defined in Item 407(d)(5) of Regulation S-K. Our board of directors has also determined that each member of our audit committee can read and understand fundamental financial statements, in accordance with applicable requirements. In arriving at these determinations, the board of directors has examined each audit committee member’s scope of experience and the nature of their employment in the corporate finance sector.

**Compensation Committee**

The compensation committee reviews all compensation components, including base salary, bonus and benefits. The compensation committee held three meetings during 2021.

Our compensation committee consists of Teena Lerner, Joel S. Marcus and Jay S. Skyler. Our board of directors has determined that all members are independent under the Nasdaq Listing Rules and are “non-employee directors” as defined in Rule 16b-3 under the Exchange Act. The chair of our compensation committee is Dr. Lerner.

For a description of our processes and procedures for the consideration and determination of executive and director compensation see “Executive and Director Compensation — Narrative to the Summary Compensation Table” later in this proxy statement.

**Nominating and Corporate Governance Committee**

The nominating and corporate governance committee makes recommendations regarding corporate governance, the composition of our board of directors, identification, evaluation and nomination of director candidates and the structure and composition of committees of our board of directors. In addition, the nominating and corporate governance committee is responsible for developing and recommending corporate governance guidelines to our board of directors, as applicable to the Company. The nominating and corporate governance committee held two meetings during 2021.

Our nominating and corporate governance committee consists of Jay S. Skyler and Stacy J. Kanter. The chair of our nominating and corporate governance committee is Dr. Skyler. Each member of the nominating and corporate governance committee is an independent director as defined by the Nasdaq Listing Rules.

Our nominating and corporate governance committee considers candidates for board membership suggested by its members, our board of directors and our executive officers in addition to those provided by independent search firms. Additionally, in selecting nominees for directorship, the nominating and corporate governance committee will review candidates recommended by stockholders in the same manner and using the same general criteria as candidates suggested by other channels. Stockholders who wish to recommend a candidate for consideration by the nominating and corporate governance committee may do so by following the instructions set forth in “— Stockholder Communications with the Board of Directors” below.

In evaluating the suitability of individual candidates (both new candidates and current board members), the nominating and corporate governance committee, in recommending candidates for election, and the board of directors, in approving (and, in the case of vacancies, appointing) such candidates, may take into account many factors, including personal and professional integrity, ethics and values, experience in corporate management, such as serving as an officer or former officer of a publicly held company, strong finance experience, experience relevant to the Company’s industry, experience as a board member or executive officer of another publicly held company, relevant academic expertise or other proficiency in an area of the Company’s operations, diversity of expertise and experience in substantive matters pertaining to the Company’s business relative to other board members, practical and mature business judgment, including, but not limited to, the ability to make independent analytical inquiries, and any other relevant qualifications, attributes or skills. Our board of directors evaluates each individual in the context of the board of directors as a whole, with the objective of assembling a group that can best perpetuate the success of the business and represent stockholder interests through the exercise of sound judgment using its diversity of experience in these various areas. In determining whether to recommend a director for re-election, the nominating and corporate governance committee may also consider the director’s past attendance at meetings and participation in and contributions to the activities of our board of directors.

Our nominating and corporate governance committee seeks to include a variety of personal backgrounds on our board of directors in order to obtain a range of viewpoints, perspectives, skills, diversity and expertise appropriate for the Company.

Half of the members of our board of directors are female, and at least one member identifies as a person of color. The following matrix discloses the gender and demographic backgrounds of our board as self-identified by its members in accordance with Nasdaq Listing Rule 5606:

 New York, New York 10017  
 Attn: Secretary

The Secretary will review each communication, and will forward such communication to the board of directors or to any individual director to whom the communication is addressed unless the communication contains advertisements or solicitations or is unduly hostile, threatening or similarly inappropriate, in which case the Secretary shall discard the communication or inform the proper authorities, as may be appropriate.

**PROPOSAL 2 — RATIFICATION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

The audit committee is responsible for the appointment, compensation, retention and oversight of the Company’s independent auditors. In connection with this responsibility, the audit committee evaluates and monitors the auditors’ qualifications, performance and independence. This responsibility includes a review and evaluation of the independent auditors. The audit committee approves all audit engagement fees and terms associated with the retention of the independent auditors.

As a matter of good corporate governance, the board of directors is requesting our stockholders to ratify the audit committee’s selection of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2022. Ernst & Young LLP has served as our independent registered public accounting firm since 2017. The audit committee and the board of directors believe that the continued retention of Ernst & Young LLP as our independent auditors is in the best interests of the Company. The audit committee carefully considered the selection of Ernst & Young LLP as our independent auditors. In connection with this selection, the audit committee considered whether there should be a rotation of the independent audit firm. The audit committee charter requires the audit committee to periodically consider whether the independent audit firm should be rotated. In addition to evaluating rotation of the independent auditors, the audit committee oversees the selection of the new lead audit partner and the audit committee chair participates directly in the selection of the new lead audit partner.

If the stockholders do not ratify the selection, the audit committee will reconsider its selection. Even if the selection is ratified, the audit committee, in its discretion, may appoint a different independent registered public accounting firm at any time during the year if the audit committee determines that such a change would be in the best interests of the Company and our stockholders.

Representatives from Ernst & Young LLP are expected to be present at the Annual Meeting and will have an opportunity to make a statement at the Annual Meeting if they desire to do so and are expected to be available to respond to appropriate questions at the Annual Meeting.

**Required Vote**

Approval by the affirmative vote of the holders of a majority of the shares of common stock present in person, or represented by proxy, and entitled to vote at the Annual Meeting is required to ratify the selection of Ernst & Young LLP.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT STOCKHOLDERS VOTE IN FAVOR OF THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2022.**

**Employment Arrangements**

Below are descriptions of our employment agreements with our named executive officers. The agreements generally provide for at-will employment without any specific term and set forth the named executive officer’s initial base salary and eligibility for employee benefits. The key terms of the offer letters and employment agreements with our named executive officers, including potential payments upon termination or change in control, are described below. Additionally, each of our named executive officers is entitled to certain severance benefits pursuant to the officer’s agreement, the terms of which are described under “- Potential Payments and Benefits upon Termination or Change in Control” below. Each of our named executive officers has executed a form of our standard confidential information and inventions assignment agreement.

***Agreement with Shoshana Shendelman***

In March 2020, we entered into an employment agreement with Dr. Shendelman. Pursuant to her employment agreement, Dr. Shendelman is entitled to an annual base salary of \$577,500 (currently \$625,000 following an increase which became effective on January 1, 2022), and is eligible to receive an annual performance and retention bonus of up to 50% of her annual base salary. Additionally, Dr. Shendelman is entitled to certain severance benefits pursuant to her agreement, the terms of which are described under “— Potential Payments and Benefits upon Termination or Change in Control” below.

***Agreement with Charles Silberstein***

In May 2020, we provided an offer letter with Dr. Silberstein, pursuant to which Dr. Silberstein was entitled to an annual base salary of \$450,000 (\$481,500 as of January 1, 2022 following an increase which became effective on January 1, 2022) and was eligible to receive an annual performance and retention bonus of up to 40% of his annual base salary. Additionally, Dr. Silberstein was entitled to certain severance benefits pursuant to his agreement, the terms of which are described under “- Potential Payments and Benefits upon Termination or Change in Control” below. Dr. Silberstein resigned as Chief Financial Officer of the Company effective as of January 28, 2022.

***Agreement with Riccardo Perfetti***

In August 2019, we entered into an employment agreement with Dr. Perfetti, which we subsequently amended in March 2020. Pursuant to his employment agreement, Dr. Perfetti is entitled to an annual base salary of \$472,500 (currently \$525,000 following an increase which became effective on January 1, 2022) and a discretionary annual bonus. In addition, Dr. Perfetti received a one-time sign-on bonus of \$100,000, \$50,000 of which was paid on the first day of his employment with the remainder paid on the one-year anniversary of his start date. Additionally, Dr. Perfetti is entitled to certain severance benefits pursuant to his agreement, the terms of which are described under “- Potential Payments and Benefits upon Termination or Change in Control” below.

**Potential Payments and Benefits upon Termination or Change in Control**

Regardless of the manner in which a named executive officer’s employment with us terminates, the named executive officer is entitled to receive amounts earned during their term of service, including salary and accrued unused vacation pay. In addition, each named executive officer is eligible for the following payments and benefits upon a qualifying termination of employment or a change in control:

***Shoshana Shendelman***

Pursuant to the terms of Dr. Shendelman’s employment agreement, upon a qualifying termination of her employment by the Company without “cause” (including as a result of her death or disability) or by Dr. Shendelman for “good reason” (in each case as such terms are defined in Dr. Shendelman’s employment agreement), subject to her (or her estate’s, as applicable) execution of a release of claims in favor of the Company. The severance payments and benefits consist of (i) 12 months of base salary continuation, (ii) a lump sum target annual bonus payment, (iii) continued payment for the cost of health care coverage for 12 months and (iv) accelerated vesting of any then-unvested shares subject to an outstanding option.

Dr. Shendelman’s employment agreement further provides that, notwithstanding anything in her employment agreement, any equity plan of the Company or any award agreement to the contrary, in the event of a “change in control” (as defined in the 2019 Plan), Dr. Shendelman’s then-unvested outstanding equity awards will become fully vested (and exercisable, as applicable) as of the date of such change in control.

***Charles Silberstein***

Pursuant to Dr. Silberstein’s employment agreement, if in the event of a qualifying termination, which includes an involuntary termination without “cause,” a “resignation for good reason” and termination due to death or disability, Dr. Silberstein will be eligible to receive at least (i) nine months of his monthly base salary *plus* his target annual bonus, (ii) nine months of payments equal to the monthly cost of his health insurance

premiums at the time of termination, and (iii) if such termination occurs within three months prior to, or 12 months following, the date of a “change in control” (as defined in the 2019 Plan), accelerated vesting of any then-unvested shares subject to an outstanding option, subject to his execution of a separation agreement and general release of claims in favor of our company.

In addition, notwithstanding anything in his employment agreement, any equity plan of the Company or any award agreement to the contrary, in the event of a “change in control” (as defined in the 2019 Plan), Dr. Silberstein’s then-unvested outstanding equity awards will become fully vested (and exercisable, as applicable) as of the date of such change in control.

As noted above, Dr. Silberstein resigned as Chief Financial Officer of the Company effective as of January 28, 2022. Since his resignation was not a qualifying termination pursuant to the terms of his employment agreement, he did not receive any severance payments or benefits and forfeited his unvested equity awards upon his termination of employment.

### **Riccardo Perfetti**

Pursuant to Dr. Perfetti’s employment agreement, if in the event of a qualifying termination, which includes an involuntary termination without “cause,” a “resignation for good reason” and termination due to death or disability, Dr. Perfetti will be eligible to receive at least (i) 12 months of his monthly base salary *plus* his target annual bonus, (ii) 12 months of payments equal to the monthly cost of his health insurance premiums at the time of termination, and (iii) accelerated vesting of any then-unvested shares subject to an outstanding option, subject to his execution of a separation agreement and general release of claims in favor of our company.

In addition, notwithstanding anything in his employment agreement, any equity plan of the Company or any award agreement to the contrary, in the event of a “change in control” (as defined in the 2019 Plan), Dr. Perfetti’s then-unvested outstanding equity awards will become fully vested (and exercisable, as applicable) as of the date of such change in control.

### **Health and Welfare and Retirement Benefits; Perquisites**

Our named executive officers are eligible to participate in our employee benefit plans, including our medical, dental, vision, disability and life insurance plans, in each case on the same basis as all of our other employees. We generally do not provide perquisites or personal benefits to our named executive officers, except in limited circumstances.

### **401(k) Plan**

Our named executive officers are eligible to participate in a defined contribution retirement plan that provides eligible U.S. employees with an opportunity to save for retirement on a tax advantaged basis. Eligible employees may defer eligible compensation on a pre-tax or after-tax (Roth) basis, up to the statutorily prescribed annual limits on contributions under the Code. Contributions are allocated to each participant’s individual account and are then invested in selected investment alternatives according to the participants’ directions. We currently make matching contributions into the 401(k) plan on behalf of participants equal to 100% on participant contributions up to 3% of their compensation and 50% on participant contributions up to an additional 2% of their compensation. Participants are immediately and fully vested in their contributions. The 401(k) plan is intended to be qualified under Section 401(a) of the Code with the 401(k) plan’s related trust intended to be tax-exempt under Section 501(a) of the Code. As a tax-qualified retirement plan, contributions to the 401(k) plan (except for Roth contributions) and earnings on those contributions are not taxable to the employees until distributed from the 401(k) plan. Our board of directors may elect to adopt qualified or nonqualified benefit plans in the future, if it determines that doing so is in our best interests.

### **Equity Incentive Plans**

#### **2019 Equity Incentive Plan**

Our board of directors adopted our 2019 Plan on April 24, 2019 and our stockholders approved our 2019 Plan on April 26, 2019. Our 2019 Plan is a successor to and continuation of the 2016 Plan. The 2019 Plan became effective upon, and no stock awards were granted under the 2019 Plan until, after the date of the underwriting agreement related to our Initial Public Offering on May 16, 2019 (the “IPO”). Upon the 2019 Plan’s effectiveness, no further grants were made under the 2016 Plan.

## TABLE OF CONTENTS

*Stock Awards.* Our 2019 Plan provides for the grant of incentive stock options, or ISOs, within the meaning of Section 422 of the Code, to employees, including employees of any parent or subsidiary, and for the grant of nonstatutory stock options, or NSOs, stock appreciation rights, restricted stock awards, restricted stock unit awards, performance stock awards, performance cash awards and other forms of stock awards to employees, directors and consultants, including employees and consultants of our affiliates.

*Authorized Shares.* Initially, the maximum number of shares of our common stock that may be issued under our 2019 Plan is 4,530,000 shares, which is the sum of (1) 1,618,813 new shares, *plus* (2) the number of shares (not to exceed 2,911,187 shares) (i) that remain available for the issuance of awards under the 2016 Plan at the time our 2019 Plan became effective, and (ii) any shares subject to outstanding stock options or other stock awards that were granted under the 2016 Plan that (A) terminate or expire prior to exercise or settlement; (B) are forfeited because of the failure to vest; or (C) are reacquired or withheld (or not issued) to satisfy a tax withholding obligation or the purchase or exercise price. In addition, the number of shares of our common stock reserved for issuance under our 2019 Plan will automatically increase on January 1 of each calendar year, starting on January 1, 2020 through January 1, 2029, in an amount equal to 5% of the total number of shares of our capital stock outstanding on the last day of the calendar month before the date of each automatic increase, or a lesser number of shares determined by our board of directors. The maximum number of shares of our common stock that may be issued on the exercise of ISOs under our 2019 Plan is 13,000,000 shares.

*Share Reserve.* As of December 31, 2021, 398,744 shares of our common stock were reserved for issuance under the 2019 Plan, covering both the 2019 Plan and the 2016 Plan. Following the effects of the 2019 Plan's evergreen provisions, 1,310,776 shares of our common stock were reserved for issuance under the 2019 Plan on January 1, 2022. As of December 31, 2021, Options to purchase 2,818,570 shares of common stock, at exercise prices ranging from \$9.44 to \$44.02 per share, or a weighted-average exercise price of \$19.80 per share, were outstanding under the 2019 Plan. As of December 31, 2021, Options to purchase 1,886,318 shares of common stock, at exercise prices ranging from \$1.00 to \$4.70 per share, or a weighted-average exercise price of \$3.49 per share, were outstanding under the 2016 Plan.

Shares subject to stock awards granted under our 2019 Plan that expire or terminate without being exercised in full or that are paid out in cash rather than in shares do not reduce the number of shares available for issuance under our 2019 Plan. If any shares of common stock issued pursuant to a stock award are forfeited back to or repurchased or reacquired by us for any reason, the shares that are forfeited or repurchased or reacquired will revert to and again become available for issuance under the 2019 Plan. Any shares reacquired in satisfaction of tax withholding obligations or as consideration for the exercise or purchase price of a stock award will again become available for issuance under the 2019 Plan.

The maximum number of shares of common stock subject to stock awards granted under the 2019 Plan or otherwise during any one calendar year to any non-employee director, taken together with any cash fees paid by us to such non-employee director during such calendar year for service on the board of directors, will not exceed \$750,000 in total value (calculating the value of any such stock awards based on the grant date fair value of such stock awards for financial reporting purposes), or, with respect to the calendar year in which a non-employee director is first appointed or elected to our board of directors, \$1,100,000.

*Plan Administration.* The compensation committee of our board of directors has generally administered the 2019 Plan and is referred to as the "plan administrator" herein. The compensation committee of our board of directors may also delegate to one or more of our officers the authority to (1) designate employees (other than officers) to receive specified stock awards and (2) determine the number of shares subject to such stock awards. Under our 2019 Plan, our board of directors has the authority to determine award recipients, grant dates, the numbers and types of stock awards to be granted, the applicable fair market value, and the provisions of each stock award, including the period of exercisability and the vesting schedule applicable to a stock award.

Under the 2019 Plan, the board of directors also generally has the authority to effect, with the consent of any adversely affected participant, (1) the reduction of the exercise, purchase, or strike price of any outstanding award; (2) the cancellation of any outstanding award and the grant in substitution therefore of other awards, cash, or other consideration; or (3) any other action that is treated as a repricing under U.S. generally accepted accounting principles, or U.S. GAAP.

*Stock Options.* ISOs and NSOs are granted under stock option agreements adopted by the plan administrator. The plan administrator determines the exercise price for stock options, within the terms and conditions of the

## TABLE OF CONTENTS

2019 Plan; *provided* that the exercise price of a stock option generally cannot be less than 100% of the fair market value of our common stock on the date of grant. Options granted under the 2019 Plan vest at the rate specified in the stock option agreement as determined by the plan administrator.

The plan administrator determines the term of stock options granted under the 2019 Plan, up to a maximum of ten (10) years. Unless the terms of an optionholder's stock option agreement provide otherwise, if an optionholder's service relationship with us or any of our affiliates ceases for any reason other than disability, death, or cause, the optionholder may generally exercise any vested options for a period of three months following the cessation of service. This period may be extended in the event that exercise of the option is prohibited by applicable securities laws or our insider trading policy. If an optionholder's service relationship with us or any of our affiliates ceases due to death, or an optionholder dies within a certain period following cessation of service, the optionholder or a beneficiary may generally exercise any vested options for a period of 18 months following the date of death. If an optionholder's service relationship with us or any of our affiliates ceases due to disability, the optionholder may generally exercise any vested options for a period of 12 months following the cessation of service. In the event of a termination for cause, options generally terminate upon the termination date. In no event may an option be exercised beyond the expiration of its term.

Acceptable consideration for the purchase of common stock issued upon the exercise of a stock option will be determined by the plan administrator and may include (1) cash, check, bank draft or money order, (2) a broker-assisted cashless exercise, (3) the tender of shares of our common stock previously owned by the optionholder, (4) a net exercise of the option if it is an NSO or (5) other legal consideration approved by the plan administrator.

Unless the plan administrator provides otherwise, options generally are not transferable except by will or the laws of descent and distribution. Subject to approval of the plan administrator or a duly authorized officer in each case, (i) an option may be transferred pursuant to a domestic relations order, official marital settlement agreement, or other divorce or separation instrument and (ii) an optionholder may designate a beneficiary who may exercise the option following the optionholder's death.

*Tax Limitations on ISOs.* The aggregate fair market value, determined at the time of grant, of our common stock with respect to ISOs that are exercisable for the first time by an award holder during any calendar year under all of our stock plans may not exceed \$100,000. Options or portions thereof that exceed such limit will generally be treated as NSOs. No ISO may be granted to any person who, at the time of the grant, owns or is deemed to own stock possessing more than 10% of our total combined voting power or that of any of our affiliates unless (1) the option exercise price is at least 110% of the fair market value of the stock subject to the option on the date of grant, and (2) the term of the ISO does not exceed five years from the date of grant.

*Restricted Stock Unit Awards.* Restricted stock unit awards are granted under restricted stock unit award agreements adopted by the plan administrator. Restricted stock unit awards may be granted in consideration for any form of legal consideration that may be acceptable to our board of directors and permissible under applicable law. A restricted stock unit award may be settled by cash, delivery of stock, a combination of cash and stock as deemed appropriate by the plan administrator, or in any other form of consideration set forth in the restricted stock unit award agreement. Additionally, dividend equivalents may be credited in respect of shares covered by a restricted stock unit award. Except as otherwise provided in the applicable award agreement, restricted stock unit awards that have not vested will be forfeited once the participant's continuous service ends for any reason.

*Restricted Stock Awards.* Restricted stock awards are granted under restricted stock award agreements adopted by the plan administrator. A restricted stock award may be awarded in consideration for cash, check, bank draft or money order, past or future services to us, or any other form of legal consideration that may be acceptable to our board of directors and permissible under applicable law. The plan administrator determines the terms and conditions of restricted stock awards, including vesting and forfeiture terms. If a participant's service relationship with us ends for any reason, we may receive any or all of the shares of common stock held by the participant that have not vested as of the date the participant terminates service with us through a forfeiture condition or a repurchase right.

*Stock Appreciation Rights.* Stock appreciation rights are granted under stock appreciation right agreements adopted by the plan administrator. The plan administrator determines the purchase price or strike price for a

## TABLE OF CONTENTS

stock appreciation right, which generally cannot be less than 100% of the fair market value of our common stock on the date of grant. A stock appreciation right granted under the 2019 Plan vests at the rate specified in the stock appreciation right agreement as determined by the plan administrator.

The plan administrator determines the term of stock appreciation rights granted under the 2019 Plan, up to a maximum of 10 years. If a participant's service relationship with us or any of our affiliates ceases for any reason other than cause, disability, or death, the participant may generally exercise any vested stock appreciation right for a period of three months following the cessation of service. This period may be further extended in the event that exercise of the stock appreciation right following such termination of service is prohibited by applicable securities laws or our insider trading policy. If a participant's service relationship with us, or any of our affiliates, ceases due to disability or death, or a participant dies within a certain period following cessation of service, the participant or a beneficiary may generally exercise any vested stock appreciation right for a period of 12 months in the event of disability and 18 months in the event of death. In the event of a termination for cause, stock appreciation rights generally terminate immediately upon the occurrence of the event giving rise to the termination of the individual for cause. In no event may a stock appreciation right be exercised beyond the expiration of its term.

*Performance Awards.* The 2019 Plan permits the grant of performance-based stock and cash awards. Our compensation committee may structure awards so that the stock or cash will be issued or paid only following the achievement of certain pre-established performance goals during a designated performance period.

The performance goals that may be selected include one or more of the following: (i) sales; (ii) revenues; (iii) assets; (iv) expenses; (v) market penetration or expansion; (vi) earnings from operations; (vii) earnings before or after deduction for all or any portion of interest, taxes, depreciation, amortization, incentives, service fees or extraordinary or special items, whether or not on a continuing operations or an aggregate or per share basis; (viii) net income or net income per common share (basic or diluted); (ix) return on equity, investment, capital or assets; (x) one or more operating ratios; (xi) borrowing levels, leverage ratios or credit rating; (xii) market share; (xiii) capital expenditures; (xiv) cash flow, free cash flow, cash flow return on investment, or net cash provided by operations; (xv) stock price, dividends or total stockholder return; (xvi) development of new technologies or products; (xvii) sales of particular products or services; (xviii) economic value created or added; (xix) operating margin or profit margin; (xx) customer acquisition or retention; (xxi) raising or refinancing of capital; (xxii) successful hiring of key individuals; (xxiii) resolution of significant litigation; (xxiv) acquisitions and divestitures (in whole or in part); (xxv) joint ventures and strategic alliances; (xxvi) spin-offs, split-ups and the like; (xxvii) reorganizations; (xxviii) recapitalizations, restructurings, financings (issuance of debt or equity) or refinancings; (xxix) strategic business criteria, consisting of one or more objectives based on the following goals: achievement of timely development, design management or enrollment, meeting specified market penetration or value added, payor acceptance, patient adherence, peer reviewed publications, issuance of new patents, establishment of or securing of licenses to intellectual property, product development or introduction (including, without limitation, any clinical trial accomplishments, regulatory or other filings, approvals or milestones, discovery of novel products, maintenance of multiple products in pipeline, product launch or other product development milestones), geographic business expansion, cost targets, cost reductions or savings, customer satisfaction, operating efficiency, acquisition or retention, employee satisfaction, information technology, corporate development (including, without limitation, licenses, innovation, research or establishment of third party collaborations), manufacturing or process development, legal compliance or risk reduction, patent application or issuance goals, or goals relating to acquisitions, divestitures or other business combinations (in whole or in part), joint ventures or strategic alliances; and (xxx) other measures of performance selected by the board of directors.

The performance goals may be based on company-wide performance or performance of one or more business units, divisions, affiliates, or business segments, and may be either absolute or relative to the performance of one or more comparable companies or the performance of one or more relevant indices. Our board of directors is authorized at any time in its sole discretion, to adjust or modify the calculation of a performance goal for such performance period in order to prevent the dilution or enlargement of the rights of participants, (a) in the event of, or in anticipation of, any unusual or extraordinary corporate item, transaction, event or development; (b) in recognition of, or in anticipation of, any other unusual or nonrecurring events affecting us, or our financial statements in response to, or in anticipation of, changes in applicable laws, regulations, accounting principles, or business conditions; or (c) in view of the board of director's assessment of

## TABLE OF CONTENTS

our business strategy, performance of comparable organizations, economic and business conditions, and any other circumstances deemed relevant. Specifically, the board of directors is authorized to make adjustments in the method of calculating attainment of performance goals and objectives for a performance period as follows: (i) to exclude the dilutive effects of acquisitions or joint ventures; (ii) to assume that any business divested by us achieved performance objectives at targeted levels during the balance of a performance period following such divestiture; and (iii) to exclude the effect of any change in the outstanding shares of our common stock by reason of any stock dividend or split, stock repurchase, reorganization, recapitalization, merger, consolidation, spin-off, combination or exchange of shares or other similar corporate change, or any distributions to common stockholders other than regular cash dividends. In addition, the board of directors is authorized to make adjustments in the method of calculating attainment of performance goals and objectives for a performance period as follows: (i) to exclude restructuring and/or other nonrecurring charges; (ii) to exclude exchange rate effects, as applicable, for non-U.S. dollar denominated net sales and operating earnings; to exclude the effects of changes to generally accepted accounting standards required by the Financial Accounting Standards Board; (iv) to exclude the effects of any items that are “unusual” in nature or occur “infrequently” as determined under U.S. GAAP; (v) to exclude the effects to any statutory adjustments to corporate tax rates; and (vi) to make other appropriate adjustments selected by the board of directors.

*Other Stock Awards.* The plan administrator may grant other awards based in whole or in part by reference to our common stock. The plan administrator will set the number of shares under the stock award and all other terms and conditions of such awards.

*Changes to Capital Structure.* In the event there is a specified type of change in our capital structure, such as a stock split, reverse stock split, or recapitalization, appropriate adjustments will be made to (1) the class and maximum number of shares reserved for issuance under the 2019 Plan, (2) the class and maximum number of shares by which the share reserve may increase automatically each year, (3) the class and maximum number of shares that may be issued on the exercise of ISOs and (4) the class and number of shares and exercise price, strike price, or purchase price, if applicable, of all outstanding stock awards.

*Corporate Transactions.* Our 2019 Plan provides that in the event of certain specified significant corporate transactions (or a change in control, as defined below), unless otherwise provided in an award agreement or other written agreement between us and the award holder, the plan administrator may take one or more of the following actions with respect to such stock awards:

- Arrange for the assumption, continuation, or substitution of a stock award by a successor corporation;
- Arrange for the assignment of any reacquisition or repurchase rights held by us to a successor corporation;
- Accelerate the vesting, in whole or in part, of the stock award and provide for its termination if not exercised (if applicable) at or before the effective time of the transaction;
- Arrange for the lapse, in whole or in part, of any reacquisition or repurchase rights held by us;
- Cancel or arrange for the cancellation of the stock award, to the extent not vested or not exercised before the effective time of the transaction, in exchange for a cash payment, if any; or
- Make a payment equal to the excess, if any, of (A) the value of the property the participant would have received on exercise of the award immediately before the effective time of the transaction, over (B) any exercise price payable by the participant in connection with the exercise.

The plan administrator is not obligated to treat all stock awards or portions of stock awards in the same manner and is not obligated to take the same actions with respect to all participants. Under the 2019 Plan, a corporate transaction is generally the consummation of: (1) a sale of all or substantially all of our assets, (2) the sale or disposition of more than 50% of our outstanding securities, (3) a merger or consolidation where we do not survive the transaction, or (4) a merger or consolidation where we do survive the transaction but the shares of our common stock outstanding immediately before such transaction are converted or exchanged into other property by virtue of the transaction.

*Change in Control.* In the event of a change in control, the plan administrator may take any of the above-mentioned actions. Awards granted under the 2019 Plan may be subject to additional acceleration of vesting and exercisability upon or after a change in control as may be provided in the applicable stock award agreement or in any other written agreement between us or any affiliate and the participant, but in the absence of

such provision, no such acceleration will automatically occur. Under the 2019 Plan, a change in control is generally (1) the acquisition by any person or company of more than 50% of the combined voting power of our then outstanding stock, (2) a merger, consolidation or similar transaction in which our stockholders immediately before the transaction do not own, directly or indirectly, more than 50% of the combined voting power of the surviving entity (or the parent of the surviving entity) in substantially the same proportions as their ownership immediately prior to such transaction, (3) a sale, lease, exclusive license or other disposition of all or substantially all of our assets other than to an entity more than 50% of the combined voting power of which is owned by our stockholders in substantially the same proportions as their ownership of our outstanding voting securities immediately prior to such transaction, (4) a complete dissolution or liquidation of the company or (5) when a majority of our board of directors becomes comprised of individuals who were not serving on our board of directors on the date of the underwriting agreement related to the IPO, or the incumbent board, or whose nomination, appointment, or election was not approved by a majority of the incumbent board still in office.

*Plan Amendment or Termination.* Our board of directors has the authority to amend, suspend, or terminate our 2019 Plan; *provided* that such action does not materially impair the existing rights of any participant without such participant's written consent. Certain material amendments also require the approval of our stockholders. No ISOs may be granted after the tenth anniversary of the date our board of directors adopts our 2019 Plan. No stock awards may be granted under our 2019 Plan while it is suspended or after it is terminated.

### **2016 Equity Incentive Plan**

*General.* Our board of directors adopted and our stockholders initially approved the 2016 Plan in June 2016. Our board of directors subsequently amended the 2016 Plan in December 2016, June 2018 and November 2018 (and our stockholders subsequently approved the amendments to the 2016 Plan in December 2016 and April 2019) the purpose of which was to increase the number of shares available for issuance under the 2016 Plan (the June 2018 amendment also amended the 2016 Plan to accelerate in full, all options granted under the plan, upon a change of control (as defined in the 2016 Plan)). The 2016 Plan was terminated in connection with our adoption of the 2019 Plan; however, awards outstanding under the 2016 Plan continue in full effect in accordance with their existing terms. As a result, no additional awards under the 2016 Plan will be granted and all outstanding stock awards granted under the 2016 Plan that are repurchased, forfeited, expired or are cancelled will become available for grant under the 2019 Plan in accordance with its terms. The 2016 Plan will continue to govern outstanding equity awards granted thereunder.

*Administration.* Our board of directors has administered the 2016 Plan since its adoption, however, following the IPO, the compensation committee of our board of directors has generally administered the 2016 Plan. Our compensation committee has full authority and discretion to take any actions it deems necessary or advisable for the administration of the 2016 Plan. Our compensation committee may modify, extend or renew outstanding options or may accept the cancellation of outstanding options (whether granted by us or another issuer) in return for the grant of new options for the same or a different number of shares and at the same or a different exercise price.

*Types of Awards.* The 2016 Plan provides for the grant of incentive stock options and nonstatutory stock options to purchase shares of our common stock, equity appreciation rights awards, restricted stock awards, restricted stock units, performance awards and other stock-based awards to employees, members of our board of directors and consultants.

*Incentive Stock Options.* The exercise price of options granted under the 2016 Plan may not be less than 100% of the fair market value of our common stock on the grant date. Options expire at the time determined by the administrator, but in no event more than ten years after they are granted, and generally expire earlier if the optionholder's service terminates.

*Changes in Capitalization.* If we at any time change the number of shares of common stock issued without new consideration (such as by stock dividend or stock split), the total number of shares of common stock reserved for issuance under the 2016 Plan, the maximum number of shares of common stock which may be made subject to incentive stock options during the term of the 2016 Plan, and the number of shares of common stock covered by each then outstanding award will be equitably adjusted and the aggregate consideration payable to us, if any, will not be changed.

## TABLE OF CONTENTS

*Corporate Transactions.* Unless in connection with a change of control, in the event of any merger, consolidation or reorganization of us with or into another entity other than a merger, consolidation or reorganization in which we are the continuing entity and which does not result in the outstanding shares of our common stock being converted into or exchanged for different securities, cash or other property, or any combination thereof, we may substitute, on an equitable basis for each share of common stock then subject to an outstanding award, the number and the kind of shares of stock, other securities, cash or other property to which holders of shares of common stock will be entitled pursuant to the transaction.

*Change of Control.* Unless otherwise expressly provided in the applicable award agreement governing an award, upon a change of control, our board of directors (or a committee thereof) may:

- Provide for the acceleration of vesting with respect to, all or any portion of an award;
- Cancel an award for a cash payment equal to the fair market value which, in the case of stock options will be deemed to be equal to the excess, if any, of the value of the consideration to be paid in the change of control transaction to holders of the same number of shares of common stock subject to the options over the aggregate exercise price;
- Provide for the issuance of a substitute award that will substantially preserve the otherwise applicable terms of any affected award;
- Terminate unvested stock options without providing accelerated vesting; or
- Take any other action with respect to the awards our board of directors or committee deems appropriate.

The treatment of awards upon a change of control may vary among the award types and participants in the sole discretion of our board of directors.

In general, a “change of control” means the acquisition of the company by another entity by means of any transaction or series of related transactions, unless our stockholders of record immediately prior to such transaction or series of related transactions hold, immediately after such transaction or series of related transactions, at least 50% of the voting power of the surviving or acquiring entity; or a sale of all or substantially all of our assets, subject to certain exceptions.

*Transferability.* A participant may not transfer stock awards under the 2016 Plan other than by will, the laws of descent and distribution, or as otherwise provided under the 2016 Plan.

*Plan Amendment or Termination.* Our board of directors has the authority to amend, suspend or terminate the 2016 Plan; *provided* that such action is approved by our stockholders to the extent stockholder approval is necessary. As described above, the 2016 Plan will terminate upon the effective date of the 2019 Plan.

### **2019 Employee Stock Purchase Plan**

Our board of directors adopted, the 2019 Employee Stock Purchase Plan, or the ESPP, on April 24, 2019 and our stockholders subsequently approved the ESPP on April 26, 2019. The ESPP became effective immediately prior to the date of the underwriting agreement related to the IPO. The purpose of the ESPP is to secure the services of new employees, to retain the services of existing employees, and to provide incentives for such individuals to exert maximum efforts toward our success and that of our affiliates. The ESPP qualifies as an “employee stock purchase plan” within the meaning of Section 423 of the Code for U.S. employees.

*Share Reserve.* Following the IPO, the ESPP authorized the issuance of 180,000 shares of our common stock under purchase rights granted to our employees or to employees of any of our designated affiliates. The number of shares of our common stock reserved for issuance will automatically increase on January 1 of each calendar year, beginning on January 1, 2020 through January 1, 2029, by the lesser of (1) 1% of the total number of shares of our common stock outstanding on the last day of the calendar month before the date of the automatic increase and (2) 360,000 shares; *provided* that before the date of any such increase, our board of directors may determine that such increase will be less than the amount set forth in clauses (1) and (2). As of the date hereof, no shares of our common stock have been purchased under the ESPP.

*Administration.* Our board of directors administers the ESPP and may delegate its authority to administer the ESPP to our compensation committee. The ESPP is implemented through a series of offerings under which

## TABLE OF CONTENTS

eligible employees are granted purchase rights to purchase shares of our common stock on specified dates during such offerings. Under the ESPP, we may specify offerings with durations of not more than 27 months, and may specify shorter purchase periods within each offering. Each offering will have one or more purchase dates on which shares of our common stock will be purchased for employees participating in the offering. An offering under the ESPP may be terminated under certain circumstances.

*Payroll Deductions.* Generally, all regular employees, including executive officers, employed by us or by any of our designated affiliates, may participate in the ESPP and may contribute, normally through payroll deductions, up to 15% of their earnings (as defined in the ESPP) for the purchase of our common stock under the ESPP. Unless otherwise determined by our board of directors, common stock will be purchased for the accounts of employees participating in the ESPP at a price per share that is at least the lesser of (1) 85% of the fair market value of a share of our common stock on the first date of an offering or (2) 85% of the fair market value of a share of our common stock on the date of purchase.

*Limitations.* Employees may have to satisfy one or more of the following service requirements before participating in the ESPP, as determined by our board of directors, including: (1) being customarily employed for more than 20 hours per week, (2) being customarily employed for more than five months per calendar year or (3) continuous employment with us or one of our affiliates for a period of time (not to exceed two years). No employee may purchase shares under the ESPP at a rate in excess of \$25,000 worth of our common stock based on the fair market value per share of our common stock at the beginning of an offering for each calendar year such a purchase right is outstanding. Finally, no employee will be eligible for the grant of any purchase rights under the ESPP if immediately after such rights are granted, such employee has voting power over 5% or more of our outstanding capital stock measured by vote or value under Section 424(d) of the Code.

*Changes to Capital Structure.* In the event that there occurs a change in our capital structure through such actions as a stock split, merger, consolidation, reorganization, recapitalization, reincorporation, stock dividend, dividend in property other than cash, large nonrecurring cash dividend, liquidating dividend, combination of shares, exchange of shares, change in corporate structure, or similar transaction, the board of directors will make appropriate adjustments to: (1) the class(es) and maximum number of shares reserved under the ESPP, (2) the class(es) and maximum number of shares by which the share reserve may increase automatically each year, (3) the class(es) and number of shares subject to and purchase price applicable to outstanding offerings and purchase rights and (4) the class(es) and number of shares that are subject to purchase limits under ongoing offerings.

*Corporate Transactions.* In the event of certain significant corporate transactions, any then-outstanding rights to purchase our stock under the ESPP may be assumed, continued, or substituted for by any surviving or acquiring entity (or its parent company). If the surviving or acquiring entity (or its parent company) elects not to assume, continue, or substitute for such purchase rights, then the participants' accumulated payroll contributions will be used to purchase shares of our common stock within 10 business days before such corporate transaction, and such purchase rights will terminate immediately.

Under the ESPP, a corporate transaction is generally the consummation of: (1) a sale of all or substantially all of our assets, (2) the sale or disposition of more than 50% of our outstanding securities, (3) a merger or consolidation where we do not survive the transaction and (4) a merger or consolidation where we do survive the transaction but the shares of our common stock outstanding immediately before such transaction are converted or exchanged into other property by virtue of the transaction.

*ESPP Amendment or Termination.* Our board of directors has the authority to amend or terminate our ESPP; *provided* that except in certain circumstances such amendment or termination may not materially impair any outstanding purchase rights without the holder's consent. We will obtain stockholder approval of any amendment to our ESPP as required by applicable law or listing requirements.

**Non-Employee Director Compensation**

Under our director compensation policy, we pay each of our non-employee directors a cash retainer for service on the board of directors and for service on each committee on which the director is a member. The chairperson of each committee receives a higher retainer for such service. These retainers are payable in arrears in four equal quarterly installments on the last day of each quarter; *provided* that the amount of such payment is prorated for any portion of such quarter that the director is not serving on our board of directors or the applicable committee. The retainers to be paid to non-employee directors for service on the board of directors and for service on each committee of the board of directors on which the director is a member are as follows:

Position	Annual Service Retainer	Chairperson Additional Retainer
Board of Directors	\$40,000	—
Audit committee	\$ 7,500	\$15,000
Compensation committee	\$ 6,000	\$12,000
Nominating and corporate governance committee	\$ 4,000	\$ 8,000

In addition, under our non-employee director compensation policy, each non-employee director who is newly elected to our board of directors receives an option to purchase 33,000 shares of our common stock. The shares subject to each such stock option will vest monthly over a three-year period, subject to the director’s continued service as a director. Further, on the date of each annual meeting of stockholders, each non-employee director that continues to serve as a non-employee director will receive an option to purchase 16,500 shares of our common stock. The shares subject to each such stock option will vest in equal monthly installments over the 12 months following the date of grant and, notwithstanding the foregoing, will be fully vested on the date of Company’s next annual stockholder meeting, subject to the director’s continued service as a director. The exercise price per share of these options will equal the fair market value of our common stock on the date of grant. All options granted under this policy will vest in full upon the occurrence of a change in control (as defined in the 2019 Plan) prior to the termination of the director’s continuous service.

This policy is intended to provide a total compensation package that enables us to attract and retain qualified and experienced individuals to serve as directors and to align our directors’ interests with those of our stockholders.

**2021 Director Compensation Table**

The following table sets forth information regarding the compensation earned for service on our board of directors by our non-employee directors during the year ended December 31, 2021. Dr. Shendelman also served on our board of directors, but did not receive any additional compensation for their service as a director and therefore is not included in the table below. The compensation for Dr. Shendelman as a named executive officer is set forth above under “- Summary Compensation Table.”

- (1) In accordance with SEC rules, this column reflects the aggregate grant date fair value of the option awards granted during fiscal year ended December 31, 2021 computed in accordance with ASC 718. Assumptions used in the calculation of these amounts are included in Note 7, “Stock-Based Compensation” to our financial statements included in our Annual Report on Form 10-K for the year ended December 31, 2021. These amounts do not reflect the actual economic value that will be realized by our non-employee directors upon the vesting of the stock options, the exercise of the stock options or the sale of the common stock underlying such stock options.
- (2) Represents an option to purchase 16,500 shares of our common stock granted in June 2021 at an exercise price of \$19.70 per share.

### **Rule 10b5-1 Sales Plans**

Our directors and executive officers may adopt written plans, known as Rule 10b5-1 plans, in which they will contract with a broker to buy or sell our common shares on a periodic basis. Under a Rule 10b5-1 plan, a broker executes trades pursuant to parameters established by the director or officer when entering into the plan, without further direction from them. The director or officer may amend a Rule 10b5-1 plan in some circumstances and may terminate a plan at any time. Our directors and executive officers also may buy or sell additional shares outside of a Rule 10b5-1 plan when they are not in possession of material nonpublic information subject to compliance with the terms of our insider trading policy.

### **Prohibitions against Hedging and Pledging**

As part of our insider trading policy, all directors and employees of the Company, including our executive officers, are prohibited from engaging in hedging or monetization transactions (such as prepaid variable forwards, equity swaps, collars and exchange funds) involving our securities, holding our securities in a margin account or pledging our securities as collateral for a loan.

## CERTAIN RELATIONSHIPS AND TRANSACTIONS

The following includes a summary of certain relationships and transactions, including transactions since January 1, 2020 and any currently proposed transactions, to which we were or are to be a participant, in which (1) the amount involved exceeded or will exceed the lesser of (i) \$120,000 or (ii) 1% of the average of our total assets for the last two completed fiscal years, and (2) any of our directors, executive officers or holders of more than 5% of our capital stock, or any affiliate or member of the immediate family of the foregoing persons, had or will have a direct or indirect material interest, other than compensation and other arrangements that are described under the section titled “Executive and Director Compensation” in this proxy statement.

We believe the terms obtained or consideration that we paid or received, as applicable, in connection with the transactions described below were comparable to terms available or the amounts that we would pay or receive, as applicable, in arm’s-length transactions.

### **Investors’ Rights Agreement**

We are party to an amended and restated investors’ rights agreement, dated November 5, 2018, with the holders of our preferred stock, including our directors, Teena Lerner, Joel S. Marcus and Les Funtleyder, our former director, Franklin M. Berger, and all holders of more than 5% of our capital stock. This agreement provides that these holders are entitled to certain registration rights, including the right to demand that we file a registration statement or request that their shares be covered by a registration statement that we otherwise file. In addition to the registration rights, this agreement provides for certain information rights and rights of first offer in favor of certain holders of our outstanding preferred stock with regard to certain issuances of our capital stock. The information rights and rights of first offer terminated upon the completion of the IPO. The registration rights will terminate upon the earliest of (i) the closing of a deemed liquidation event, (ii) with respect to each stockholder, the date when such stockholder can sell all of its registrable shares without limitation during a three-month period without registration pursuant to Rule 144 of the Securities Act or another similar exemption under the Securities Act and (iii) May 16, 2022.

### **Indemnification Agreements**

We have entered or intend to enter, and intend to continue to enter, into separate indemnification agreements with some of our directors and executive officers, in addition to the indemnification provided for in our Amended and Restated Bylaws (the “Bylaws”). These indemnification agreements provide our directors and executive officers with contractual rights to indemnification and, among other things, require us to indemnify our directors and officers for certain expenses, including attorneys’ fees, judgments, fines and settlement amounts incurred by a director or officer in any action or proceeding arising out of their services as a director or officer, or any other company or enterprise to which the person provides services at our request. For more information regarding these indemnification agreements, see “Management — Limitation on Liability and Indemnification Matters” in the Annual Report.

### **Related Person Transaction Policy**

We have adopted a written related person transaction policy that sets forth our procedures for the identification, review, consideration and approval or ratification of related person transactions. For purposes of this policy only, a “related person transaction” is a transaction, arrangement or relationship (or any series of similar transactions, arrangements or relationships) in which we and any related person are participants involving an amount that exceeds or will exceed the lesser of (1) \$120,000 or, for such time as the Company qualifies as a “smaller reporting company” (2) 1% of the average of our total assets for the last two completed fiscal years. Transactions involving compensation for services provided to us as an employee, consultant or director are not considered related-person transactions under this policy. A transaction, arrangement or relationship in which a related person’s participation is solely due to the related person’s position as a director of an entity that is participating in such transaction, arrangement or relationship shall not be considered a related person transaction under this policy. A “related person” is any executive officer, director, nominee to become a director or a holder of more than 5% of our capital stock, or any affiliate or member of the immediate family of the foregoing.

Under the policy, where a transaction has been identified as a related-person transaction, management must present information regarding the proposed related-person transaction to our nominating and corporate governance committee or, where review by our nominating and corporate governance committee would be

## TABLE OF CONTENTS

inappropriate due to a conflict of interest, to the board of directors or another independent body of our board of directors, for review. The presentation must include a description of, among other things, all of the parties, the direct and indirect interests of the related persons, the purpose of the transaction, the material facts, the benefits of the transaction to us and whether any alternative transactions are available, an assessment of whether the terms are comparable to the terms available from unrelated third parties and management's recommendation with respect to the related person transaction. To identify related person transactions in advance, we rely on information supplied by our executive officers, directors and certain significant stockholders.

The nominating and corporate governance committee shall consider all the relevant available facts and circumstances, including, but not limited to, whether the related person transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related person's interest in the transaction. The nominating and corporate governance committee shall approve only those related person transactions that, in light of known circumstances, are in, or are not inconsistent with, the best interests of the Company and its stockholders, as the nominating and corporate governance committee determines in the good faith exercise of its discretion.

Certain of the transactions described in this section were entered into prior to the adoption of this policy. Although we did not have a written policy for the review and approval of transactions with related persons prior to our IPO, our board of directors reviewed and approved any transaction where a director or officer had a financial interest, including the transactions described above. Prior to approving such a transaction, the material facts as to a director's or officer's relationship or interest in the agreement or transaction were disclosed to our board of directors. Our board of directors took this information into account when evaluating the transaction and in determining whether such transaction was fair to us and in the best interest of all our stockholders.

**STOCKHOLDER PROPOSALS FOR 2023 ANNUAL MEETING**

**Submission of Stockholder Proposals for Inclusion in Next Year’s Annual Meeting Proxy Statement**

Any proposal or proposals by a stockholder intended to be included in the proxy statement and form of proxy relating to the 2023 Annual Meeting of Stockholders must be received by the Company no later than December 16, 2022 and must comply with the other proxy solicitation rules promulgated by the SEC and with the procedures set forth in the Bylaws. Proposals should be sent to the Secretary of the Company at 545 Fifth Avenue, Suite 1400, New York, NY 10017. Nothing in this paragraph shall be deemed to require the Company to include in its proxy statement and proxy relating to the 2023 Annual Meeting of Stockholders any stockholder proposal which may be omitted from the proxy materials according to applicable regulations of the SEC in effect at the time the proposal is received.

**Other Stockholder Proposals for Presentation at Next Year’s Annual Meeting**

A stockholder who wishes to submit a proposal or nominate a candidate to serve as a director for consideration at the 2023 Annual Meeting of Stockholders outside the processes of Rule 14a-8 under the Exchange Act and therefore will not be included in the proxy statement for such meeting must timely deliver a written notice in accordance with the requirements, including eligibility and information required in such notice, set forth in Section 5 of the Bylaws. To be timely, such written notice must be received by the Secretary of the Company at its principal executive offices, 545 Fifth Avenue, Suite 1400, New York, NY 10017, not earlier than the close of business on February 2, 2023, nor later than the close of business on March 4, 2023. In the event that next year’s annual meeting is not scheduled to occur within 30 days of June 2, 2023 (the anniversary of the Annual Meeting), the written notice must be received (i) not earlier than the close of business on the 120th day prior to such annual meeting and (ii) not later than the close of business on the later of the 90th day prior to such annual meeting or the 10th day following the day on which public announcement of the date of such meeting is first made.

**OTHER MATTERS**

The Company knows of no other matters to be submitted to the stockholders at the Annual Meeting, other than the proposals referred to in this proxy statement. If any other matters properly come before the stockholders at the Annual Meeting, it is the intention of the proxy holders to vote the shares represented thereby on such matters in accordance with their best judgment.
